6 Sea Of Thieves S has a good task here. He has won two of seven races this year and faces modest opposition. Is a quick starter and our favourite for the lead with Carl Johan Jepson. Good chance. **3 I Love Sensation** is challenging for both the lead and the victory. He has not won yet after nine race but done quite well and should get a nice trip. **4 Minna Jaam** won from the outside of the leader at this track in July. Was only closely defeated as second last time and is a contender behind our favorite. **1 Tayno Cruella** comes from a third place at Bjerke and was just closely defeated. Should get a nice trip from here.

6 Timotejs Gamble has won three of eight races this year and did well in the V85 last time. Faces much weaker horses this time and gets an offensive trip by Carl Johan Jepson. Good chance. **9 Easy Pick** faces the best conditions money-wise and was fourth in the V85 two starts back. He has also met tougher opposition. He has been a scratch after the last race but should still be considered early. **10 Jamaicanmecrazy** has not won yet this year but comes from a good second place after a short layoff and should be even better now. Possible with the right trip. **1 Staro Savile Row** was not defeated when he galloped in the final turn last time (Global F.N.P. won). Looking for revenge. Where will he end up from here?

1 Ken's Queen gets the tip in this open race. He won last time at this track and is our favorite for the lead here too. Clockwise race again could be an advantage for her. **3 Arcania S.** has taken three wins this year and done well. Was third together with Jepson two starts back and he is driving again. Can open fast and has a good lane. **9 Stepping Gogo Girl** has earned the most money this year and faces nice conditions money-wise as a filly. Coming from victory but has to attack from behind this time. Ole Johan Östre now. **6 Kencio Jaam** is quite consistent and could be an outsider in this field. He can also open quite fast.

12 Pure Desire gets the tip in this very open race despite a poor number at this track. She raced in the V85 last time and will face a much easier opposition now. On the way up and now driven by Jepson. **1 Honey Dun Girl** is a very quick starter and our clear favorite for the front from this lane. Can lead this for a long time. **6 Arman Dee** is clearly better than the latest results show and should not be forgotten with the right journey. **2 Navy Zon** is not bad and well drawn. He has got a short layoff and is now driven by Peter Ådefors.
