## RACE 1 — V4-1 — Auto 2140 — RANK

**4 Karlo Molar** is a real winning machine who has won five of six starts this year. He won easily from the lead in the last race and with a similar performance now he could win again. **2 Howtoreach W.F.** galloped in the last race but is normally reliable. Has taken both wins from the lead and will attack from behind there. **11 Bordeaux Face** has had a good year with four wins in eight starts. Difficult lane, but has to be considered in case of quick pace. **1 Spring Legend** looked in good shape in the last race when locked in. In the mix with an opening at the end.

## RACE 2 — V4-2 — Auto 2140 — RANK

**4 Le Peak** has done well at the end without winning. Has a good starting position and should have a good chance to win. **3 Knight Rider Keka** opens fast and should be able to take the lead shortly after the start. If he is allowed to dictate the pace, he could lead this all the way. **8 Toamericaandback** got a run under his belt in the last race and will be better to this race. In the mix. **5 Shall We Dance** gave up at the end in the last race. Had been consistent and good before that and the filly will soon score a victory.

**1 Last Blood** finished third from the lead in the last race. Can open quite fast and should have a good chance of holding the lead - and from front he will not be easy to catch. **10 La Chris** is gifted. Probably barefoot now which is an exciting change. **4 Toogoodtoulouse** is fast with the right defensive trip. This driver is a plus and he is one of several horses who can win this race. **2 Gemstone Aze** made it to the Norwegian Derby but galloped there. Fast enough to be in the mix here.

**10 Epicure D.E.** gave up at the end in the last race after a fast opening lap. Good form and should have good chances. **8 Eyeofthetiger** lost the trot around the final turn in the last race. Owns high capacity and cannot be discounted despite a difficult starting position. **6 Kit Kat Mearas** came back after a pause in the last race. Speedy when he can save his speed and with the right trip he is in the fight for victory. **7 Nash Keeper** has not started since May and even though his form is hard to predict, he should not be completely overlooked.
