4 Awesome B.B. has not started since November last year but is working well before this comeback. She is a quick starter and will not be easy to beat from the lead. **7 Heaven's End** is one of the better horses in this race and if she lives up to her capacity she could prove to be the strongest at last. **5 Global Feature** scored a nice win three races ago and with a similar effort now he is in the fight for victory again. **8 Nelly Rose** is good for this class but needs some racing luck from this starting position.

12 Solkattens Corsa has won six of ten starts. She has been a scratch but if the mare hasn't lost too much, she should have a good chance of passing this field. **5 Jack Grealish** has done well all summer without winning. He is challenging for the top spots. **4 Monark Winner** is consistent, but does not win very often. An American bike for the first time is interesting. **1 Poppel** is well drawn, but should primarily be seen as a place bet.

7 Underbara Barbara has done well in her last couple of starts. Should be able to open fast from this starting position and if the mare takes the lead then the chances increase. **8 Kristian Roc** has done most of the right things at the end. The four-year-old has a tricky number but could take the fourth win in a row. **2 Rangs Häll** came back well after the last gallop. If he avoids a mistake, he will be in front. **13 You're All I Need** has a tricky number but would benefit from high pace and could then finish to a good result.

11 Return Of Mogens did well as fifth in the last race but was even better the time before. Tricky starting position but this still looks like a appropriate task for the eight-year-old. **9 Fahrenheit** made his debut for a new trainer last time and clearly needed that run under his belt. He has good capacity for this class and is a challenger. **10 Belker** was a bit behind Return Of Mogens the last time they met but can get his revenge here. **8 Manne Margunn** is still in fine form. Tricky starting position but still a contender.
