9 Slotts Guli Rex has won three of seven races this year and likes today's long distance. Took two wins in a row in June and was good from the outside of the leader two starts back. Did not trot well last time but normally good chance. **10 Nord Alma** was third over today's long distance two starts back and comes from a nice second spot in a bigger race. Challenger to our favorite. **4 Guldhagens Kiwi** was fourth despite a gallop in the last race and faces better conditions this time than Bäckeld. John Östman might go for the front. **7 Vejmo Märta** scored a good second spot in the last race and is driven again by Thommy Enberg. Could get a nice inside trip.

6 Variation has started well for Daniel Wäjersten and has a nice task here. He is a quick starter and should get a nice trip. Driven this time by Henrik Svensson and should have a top chance. **1 Ibra the Bushman** is interesting in his debut for a new trainer. Has not won yet but is fast from the start and has got a perfect number. Mika Forss is the driver. **4 Pinnacle Sox** has started well with a win and a second place. He has also got a good lane and should be considered early on. **5 Plenty Coups** took a comfortable win in the last race and was good from the outside of the leader. Contender behind our pick.

2 Realize'em faces good conditions as a filly and has got a perfect lane. She can open quickly and is our close favorite for the lead among several fast starters. Driven this time by Ludwig Wickman. **6 Megamind Sisu** is challenging for the lead and the victory. Comes from a fourth place in the V85 and has got a pause. Mika Forss is driving now and if he finds the lead he has a good chance. **10 Ove Schermer** won from the lead last time but has a different post this time. Hopes for quick pace and that is not impossible. Sandra Eriksson is the driver. **7 Pommery Boko** won a bigger V86 race from the outside of the leader in July but did not finish in the last V85 final. His form is a bit diffuse but he is good for this company.

6 Marley Wania won four out of five races last year and was second from the outside of the leader at today's track in the last race. With a similar performance he should have a good chance in this weak race. **4 Kungle** started quite well but failed from the lead in the last race and was probably not fit. Comes back after a break and is our favorite for the lead. Contender. **10 Crazy Nolimit** finished strongly two starts back a bit behind the winner and met top horses in the last race. Maybe he has become a bit tougher now. Warning. **11 Cypress Hill** also deserves a warning. Gave up in the last comeback race but has a run under his belt now and competes barefoot.

7 Arpi Broline is strong and likes today's long distance. Is good for this company and can probably do it tough. Gets an offensive trip? **12 Evergreen Bar** won a V85 race at Gävle at the end of last season but is now returning after a long layoff for a new trainer. Barefoot directly and driven by Henrik Svensson. **11 Lozano** is also good for this race. He made a mistake from the start last time and is looking for revenge. Barefoot behind this time. **1 True Exception** did not find room last time and is clearly better than the latest results show. He is our close favorite for the lead. Watch out.

8 R.K.Pocahontas has done really well this year and comes from several tough races. Was second behind Bonsse Garde in a bigger race in July and will face easier opponents now. Difficult lane but will probably get an offensive trip. **11 Black Bourbon** should also be considered early. He won the last race and showed in July that he can do it tough too. **7 Global Formidable** won four out of ten races last year and has now made two starts for new trainer Lena Johansson. Should be on the way up and is a contender behind our favorite. **10 Express Silvio** was second behind Black Bourbon in the last race and is looking for revenge.
