Going: **Standard to Slow**

Kempton is a right-handed, polytrack, flat, oval-shaped course with two loops. The inner circuit, used for races over five and ten furlongs is sharp and has a finishing straight of just under two furlongs, favouring the speedy, handy type, markedly so over the minimum trip. The turn on the outer course is more sweeping and the straight is approximately three furlongs long, making for a fairer test. Over both five and six furlongs, there is a relatively short run to the first bend.

TIMEFORM VIEW:

The market will no doubt prove informative with several of these making their debut, BET YOU CAN'T getting the vote to enhance what has been an excellent year for the Boughey/Loughnane combination. Jalapeno Gal, Fortuna Saxa and Spiders From Mars look likely types on paper and are preferred in that order to offer chief resistance.

1 6 **ANNIE HALL (18)** **77**

6 **2** 9-2 | 58.1kg

Oliver Cole — ***Luke Morris***

Was very green but made late headway to finish sixth in 13-runner minor event at Southwell (6f) on debut 18 days ago. Entitled to progress with her first run behind her.

2 3 **SAND DANCE (IRE) (28)** **80**

85 **2** 9-2 | 58.1kg

S. P. C. Woods — ***Hollie Doyle***

Shaped better than on debut when 2½ lengths fifth of 9 in novice at this course (1m) at the end of last month, her early keenness only telling late on. Possibilities as she drops back down in trip.

3 10 **SHOT AT LOVE** **77**

2 9-2 | 58.1kg

Stuart Williams — ***Marco Ghiani***

Foaled February 8. Cracksman filly. Dam useful 6f/7f winner. Trainer's debutants tend to be better for their initial experience.

4 1 **TANSY** **78**

2 9-2 | 58.1kg

Ed Walker — ***George Downing***

Foaled February 18. 55,000 gns foal, Saxon Warrior filly. Dam, 1m winner, half-sister to useful 5f/6f winner Bye Bye Birdie. Yard's newcomers often step forward from their first outing, though did have a useful prospect win on debut last week.

5 7 **DANEBURY ROSE (IRE)** **77**

2 8-13 | 56.7kg

Charlie Pike — ***Kieren Fox***

Foaled February 11. €14,000 2-y-o, Sea The Stars filly. Sister to 1¼m-12.5f winner (stays 2¼m) Simple Star and 9f winner Star of The Night, and half-sister to 1m winner Dupont Law. Yard 0-2 with 2-y-o debutants during the current campaign.

6 9 **FLAMME DOREE** **77**

2 8-13 | 56.7kg

Ed Walker — ***Ashley Lewis*** (3lb/1kg)

Foaled February 22. £27,000 yearling, Zarak filly. Closely related to useful 1½m winner Mr Inspiration. Dam winner up to 1½m (2-y-o 5f-1m winner) who stayed 1¾m, fourth in 1000 Guineas. Watch for market clues as one of 2 newcomers in the line-up for her stable.

7 8 **JAHAMI (33)** (BF) **100**

321d **2** 8-13 | 56.7kg

Roger Varian — ***Billy Loughnane***

Improved from her debut effort when runner-up in a Southwell novice (7f) last month. Showed her inexperience next time, though, first past the post in a Wolverhampton maiden (1m) but causing interference having hung right. Remains with potential and is worth another chance.

8 4 **LADY'S GRACE (23)** v **82**

433 **2** 8-13 | 56.7kg

John & Thady Gosden — ***Robert Havlin***

Showed more than on debut when third in a C&D novice last month. Wasn't able to progress any further when filling the same position at Chelmsford City 23 days ago, though the winner looked an exciting prospect. Could be thereabouts with visor applied.

9 2 **NINE PETALS (IRE)** **76**

2 8-13 | 56.7kg

Tom Dascombe — ***William Cox***

Foaled April 11. Calyx filly. Dam winner up to 12.4f (2-y-o 7f winner). Has a fair standard to aim at on debut.

10 5 **GARDEN MAZE** **80**

2 8-10 | 55.3kg

Andrew Balding — ***Oisin Murphy***

Foaled March 24. Elm Park filly. Dam 1½m-2m winner. Bred to need further in time, but she represents a yard capable of readying a newcomer.

BETTING FORECAST:

TIMEFORM VIEW:

Making her third start, JAHAMI failed to keep straight under pressure when demoted to second at Wolverhampton last month, but she's in top hands and remains open to improvement as she gains further experience. She is taken to see off the challenge of Lady's Grace who has made the frame in her 3 races so far, with Sand Dance also considered.

Nando Parrado gelding. Half-brother to numerous winners, including German winner up to 1m Belcarra and winner up to 1¼m Winiata. Dam 7f winner in Germany. Yard's debutants often better for a run or 2.

2 6 **CRACK O'NINE (30)** **79**

9 **3** 9-7 | 60.3kg

Michael Attwater — ***William Carson***

Twilight Son gelding. Half-brother to useful 5f-6f winner Peggie Sue. Dam unraced. Showed nothing starting out over C&D a month ago.

3 2 **CROWN KNOTT (223)** (BF) **86**

6 **3** 9-7 | 60.3kg

Mark Loughnane — ***Rob Hornby***

Lope de Vega gelding. Half-brother to 5f winner Mc Loven, with Group 1 winners further back in his pedigree. Lasted just one run for Godolphin, sixth of 10 when a short price in the Wood Ditton in April. Changed hands for 45,000 gns and had a breathing operation.

4 7 **HIGHEST PEAK (IRE)** **100**

3 9-7 | 60.3kg

Charlie Appleby — ***Billy Loughnane***

Blue Point gelding. Closely related to 3 winners, including top-class winner up to 7f Pinatubo and useful winner up to 1m Mountain Breeze. Dam 1¼m-11f winner. Already gelded but that no negative for these connections and he's a newcomer of extreme interest.

5 5 **LEAN D'AISLINGEAN (IRE) (46)** **92**

93200 **3** 9-7 | 60.3kg

Charlie Pike — ***Kieren Fox***

€85,000 Ghaiyyath colt. Steadily progressive in maidens but allotted a stiff mark on the back of a runner-up effort at Ffos Las that didn't work out and he's struggled both starts since at up to 10.5f. Down markedly in trip back in a novice and switched to all-weather.

6 8 **RUMBLIN' ALONG** **80**

3 9-7 | 60.3kg

Brian Toomey — ***Jonny Peate***

1,000 gns foal, Rumble Inthejungle gelding. Dam maiden (stayed 6f), half-sister to 7f-1½m winner The Covex Kid and French 6.5f/7f winner Skylight Brochard (both useful). Very cheap purchase and he's likely to struggle.

7 3 **SOUL SURVIVOR (IRE)** **82**

3 9-7 | 60.3kg

Jack Channon — ***Rose Dawes*** (3lb/1kg)

30,000 gns yearling, Inns of Court gelding. Half-brother to 1m-1¼m winner Bruno's Gold and 7f winner I Want Nobody. Dam twice-raced close relation of smart 1½m-14.5f winner (stayed 2½m) Postileo. Will likely need further than this in time.

8 4 **ACCLAMIQUE (34)** t **83**

6 **3** 9-2 | 58.1kg

William Haggas — ***Hollie Doyle***

Acclamation filly. Sister to useful winner up to 9.5f Koy Koy, and half-sister to 8.3f winner Likleman and Italian winner up to 1m Brisone. Represents top yard but was tongue tied for debut and showed very little over 6f at Southwell last month.

TIMEFORM VIEW:

This is a fairly late debut for HIGHEST PEAK but he couldn't be in better hands and given his pedigree, he could easily outclass these. Lean D'Aislingean will find this easier than the handicaps he's been running in of late, while Crown Knott, a former stablemate of the selection, may show more this time.

Daniel & Claire Kubler *Billy Loughnane*
Progressed with each of his 3 starts in novices, but failed to improve on nursery debut when seventh of 13 at Southwell (7f) last time, again showing a quirky side. Will need to get back on the up with the Champion Jockey taking over.

2 6 **BLUE SKIES ABOVE (58)** s **93**
85095 **2** 9-9 | 61.2kg
Oliver Cole *Luke Morris*
Hasn't found any progress switched to nurseries the last twice, well backed fitted with blinkers when fifth of 13 at Brighton on latest outing. Interesting to see if the support returns now in cheekpieces.

3 1 **HOOSIER (IRE) (27)** h **97**
54460 **2** 9-8 | 60.8kg
Marco Botti *Marco Ghiani*
Showed more than on 2 starts for Michael Bell when 2 lengths fourth of 8 in maiden at Wolverhampton (6f) early last month. Hasn't kicked on in a pair of 7f nurseries since, well held at Southwell on latest. Hood soon refitted.

4 5 **ADMIRAL LEACH (IRE) (19)** **100**
0905 **2** 9-7 | 60.3kg
Ed Dunlop *Robert Havlin*
Off 7 weeks (gelded) ahead of nursery debut, ran creditably when 2½ lengths fifth of 11 at Newcastle (7f) 19 days ago, looking a big threat 2f out. Form from last time has been boosted by the first and third since, so he could yet do better with recent run behind him.

5 9 **CASABLANCA DREAM (IRE) (48)** **96**
65533 **2** 9-7 | 60.3kg
Marco Botti *Oisin Murphy*
Has taken a step forward upped to 1m in nurseries last 2 starts, length third of 12 at Southwell 7 weeks ago. Can give another good account.

6 12 **LOPEFERNZA (27)** t **99**
66755 **2** 9-5 | 59.4kg
David Loughnane *Jack Doughty*
No better than mid-division in his qualifying runs, but fitted with tongue strap for second nursery start he finished well for fifth in 13-runner contest at Southwell (7f) last month. Merits consideration with this extra 1f promising to suit.

7 10 **MISS FAITHFULL (IRE) (25)** h **87**
590 **2** 9-4 | 59.0kg
Charlie Fellowes *Paddy Bradley*
Showed some ability over 1m at Salisbury on debut but well held both outings since, dropped back to 7f at Newmarket 25 days ago. Has something to find making nursery/all-weather debut, though the return to further should suit based on pedigree.

8 8 **MAGICAL LIFE (20)** (CD) **97**
43667284 **2** 9-4 | 59.0kg
J. S. Moore *John Egan*
Off the mark in nursery over this C&D in August. Has been kept busy since, seeming stretched by the step up to 1¼m when fourth of 9 at Chelmsford 20 days ago. Looks vulnerable to her more lightly-raced rivals.

9 4 **MARRALYN (IRE) (51)** **87**
583776 **2** 9-3 | 58.5kg
Ollie Sangster *Dylan Hogan*
Only modest form at best so far, faring no better upped to 7f when sixth of 8 in nursery at Yarmouth on latest outing.

10 11 **NIL SATIS SUPREME (IRE) (29)** b **96**
807 **2** 9-3 | 58.5kg
Mark Loughnane *Jonny Peate*
Offered a bit more upped further in distance when seventh of 12 in novice at Wolverhampton (8.5f) last time. More needed as he heads into handicap company with blinkers applied.

11 13 **DESERT MOVE (IRE) (42)** **86**
558 **2** 9-2 | 58.1kg
Simon Dow *Tyler Heard*
Didn't offer much in 2 outings for Richard & Peter Fahey this summer and, after 3 months off (gelded), finished last of 8 in 6f novice at this course 6 weeks ago. Stamina on dam's side of pedigree as he goes up in trip for nursery bow.

12 2 **ANGEL OF HEAVEN (69)** **87**
787 **2** 9-0 | 57.2kg
James Fanshawe *Hollie Doyle*
In need of the experience when down the field in 3 starts so far. However, she's a well bred type and was sent off favourite on debut, so it would be no surprise if she left her previous efforts behind now handicapping.

13 3 **WINDMILL (IRE) (30)** **72**
084 **2** 8-13 | 56.7kg
Ollie Sangster *Sean Levey*
After 11 weeks off, ran to just a similar level as first 2 starts when well-beaten fourth of 6 in novice at Leicester (6f) last month. Nurseries could be more suitable as she steps up in distance.

14 14 **CHAMPAGNE CHARLEE (IRE) (111)** t **69**
906 **2** 8-13 | 56.7kg
Stuart Williams *Jack Dace* (5lb/2kg)
Not much encouragement in 3 starts this summer, going with little fluency fitted with a tongue strap when well-beaten sixth of 9 in maiden at Sandown (5f) in August. Transformation needed up significantly in trip for nursery debut (has been gelded).

14 DECLARED RUNNERS

BETTING FORECAST:

TIMEFORM VIEW:

Preference is for ADMIRAL LEACH, who shaped as if he may come on for the run when finishing mid-field on nursery debut at Newcastle earlier this month. He's bred to be suited by this extra 1f and gets the vote ahead of Lopefernza, another with potential as she goes up in trip, while Angel of Heaven is one to note on her nursery bow.

49-295884 **3** 9-8 | 60.8kg
Tom Dascombe — ***William Carson***
Good second at Goodwood (6f) on seasonal/stable debut in June, but struggled until making the frame over this C&D on her latest outing. Was switched to making the running last time, though there looks to be other pace angles in this race.

7 1 **AURELUNE (IRE) (37)** s **96**
5367322 **3** 9-7 | 60.3kg
Richard & Peter Fahey — ***Billy Loughnane***
Has shown improved form in handicaps at around 1m on her last 3 starts, beaten only by a significant improver in 14-runner contest at Southwell in October. Respected in first-time cheekpieces with the Champion Jockey taking over.

8 10 **UPSOMDOWNS (28)** s **99**
46-280404 **3** 9-7 | 60.3kg
Pat Phelan — ***Paddy Bradley***
Back up in trip, ran one of his better races when a close fourth in 10-runner handicap over this C&D last time, form which has been franked by the first 2 since. Enters calculations with cheekpieces added.

9 5 **KARAKULA DANCER (4)** (CD) s **96**
53833486 **3** 9-6 | 59.9kg
Martin Dunne — ***Alice Bond*** (5lb/2kg)
Won 3 times on all-weather, including over C&D, for James Ferguson early this year and ran well to make the frame on first 3 starts for this yard. Has found run of good form coming to a halt the last twice, though met trouble in running at Newcastle 4 days ago.

10 9 **STARAKOVA (37)** (D) s **95**
50173109 **3** 9-6 | 59.9kg
Warren Greatrex — ***Harry Vigors*** (5lb/2kg)
Off the mark at Wolverhampton (7f) in April and doubled her tally at Southwell (1m) in August when overcoming a pace bias. Excuses on her penultimate start but was below form in first-time cheekpieces at Southwell last month.

11 4 **ROCCOBEAR (IRE) (28)** **96**
82563543 **3** 9-6 | 59.9kg
J. R. Jenkins — ***Marco Ghiani***
Has fared better from his falling mark of late, making the frame 3 times from his last 4 starts including when 2¼ lengths third of 6 to Melodical over this C&D 28 days ago. Has eased another 1 lb in the weights so could be in the mix.

12 6 **BLUE HILL (28)** **97**
545573 **3** 9-6 | 59.9kg
Adam Kirby — ***Shay Farmer*** (5lb/2kg)
Making first handicap start on all-weather, ran her best race when third of 10 over this C&D last time. Was suited by a strong pace, but could get a similar set up as she makes first run since leaving Ismail Mohammed & Jose Santos.

13 3 **VENETIAN ROMANCE (IRE) (29)** s **92**
94626956 **3** 9-5 | 59.4kg
Michael Attwater — ***Kieren Fox***
Finished closer than previously when runner-up over 7f at Brighton in June on final outing for previous connections. However, no better than mid-division in 4 starts since joining current yard.

14 11 **HEATED MOMENT (4)** **95**
0876-5547 **3** 9-1 | 57.6kg
Conrad Allen — ***Robert Havlin***
Produced her best effort fitted with blinkers when a close fourth of 12 in handicap at Windsor in June. Probably needed the run after 6 months off when down the field at Lingfield 4 days ago, though the headgear is now left off as she makes a quick turnaround.

TIMEFORM VIEW:

MELODICAL showed improved form when getting up late over this C&D last month and she can go on to score again now that she's up and running. Next on the list is Aurelune who has placed on her last 3 starts and now gets an eye-catching jockey booking, ahead of Upsomdowns.

Kempton is a right-handed, polytrack, flat, oval-shaped course with two loops. The inner circuit, used for races over five and ten furlongs is sharp and has a finishing straight of just under two furlongs, favouring the speedy, handy type, markedly so over the minimum trip. The turn on the outer course is more sweeping and the straight is approximately three furlongs long, making for a fairer test. Over both five and six furlongs, there is a relatively short run to the first bend.

1 5 **AMILOC (39)** (C, D) **98**
24-66U717 **4** 9-7 | 60.3kg
Ralph Beckett — *Hollie Doyle*
Successful first 3 starts in 2025, including a Group 2 at Royal Ascot. Hasn't quite matched that level this year, though returned to winning ways in conditions stakes at Salisbury (1¾m) in September. Seemed unsuited by cheekpieces (quickly discarded) at Ascot last month, so he could bounce back.

2 7 **CONSTITUTION HILL (31)** (CD) **91**
1145 **9** 9-7 | 60.3kg
Nicky Henderson — *Oisin Murphy*
Exceptional hurdler at best who impressed switched to the Flat when winning a pair of all-weather novices in February/March, including over C&D. Useful form up in grade the last twice, fourth in the September Stakes here before fifth of 12 in a Group 2 in Milan. Can make his presence felt.

3 2 **EL CORDOBES (IRE) (25)** (C, D) ★ **100**
31133-530 **5** 9-7 | 60.3kg
Charlie Appleby — *Billy Loughnane*
3-time winner in 2025, landing a Group 2 at Newmarket in July before Grade 1 success at Saratoga. Hasn't been seen to best effect in his 3 outings this year, meeting trouble when down the field in the Breeders' Cup Turf at Keeneland last time. Major player back down in grade.

4 1 **LION'S PRIDE (63)** (CD) **92**
2/615-6464 **6** 9-7 | 60.3kg
John & Thady Gosden — *Robert Havlin*
Dual course winner, including this race back in 2023, who scored emphatically in a Newmarket listed race in September last year. However, he hasn't gone on from that effort, returning from 5 months off when fourth of 5 in listed contest at Goodwood (1¼m) in September.

5 8 **ROYAL PLAYWRIGHT (26)** **98**
53153-522 **4** 9-7 | 60.3kg
Andrew Balding — *Jason Watson*
Raced only the 3 times this year but has proved better than ever with runner-up efforts in a pair of Group 3s last month, beaten only by a more lightly-raced type in the St Simon Stakes at Newmarket on latest outing.

6 6 **VIRTUAL ROCK (IRE) (111)** (D) t **84**
0 **7** 9-7 | 60.3kg
Des Donovan — *Darragh Keenan*
Listed winner on the Flat in France back in 2023. Mainly campaigned over hurdles since moving to Britain, comfortably scoring in a Huntingdon handicap 4 days ago. Record is now 3-4 from current yard, though faces a tough ask back on the level.

7 4 **BESIEGED (76)** s **86**
2210 **3** 9-2 | 58.1kg
Harry Charlton — *Lewis Edmunds*
Improved with each of his first 3 starts, looking a smart prospect when a wide-margin winner of a Salisbury novice (1¼m, heavy) in June. However, he failed to beat a rival on handicap debut at Doncaster (good) in September. Needs to resume his progress up in trip with cheekpieces applied.

8 3 **JANEY MACKERS (IRE) (32)** **85**
660150-30 **4** 9-2 | 58.1kg
David Menuisier — *Sean Levey*
Took her form up to a useful level when finding plenty to land a Newbury handicap (1¼m) in September last year. Creditable third at Chester on this year's return, but after a further 5 months off she was well held at Doncaster in October. Has work to do up in trip for all-weather debut.

TIMEFORM VIEW:

Successful at the highest level last summer, EL CORDOBES hasn't had things go his way in only 3 outings this year, so he is taken to get back to winning ways as he returns to listed level. Amiloc also brings Group 1 form to the table having been runner-up in last season's Irish St Leger and could be the main danger, with Constitution Hill also considered back down in grade.

Alan King — ***Sean Levey***
Proved as good as ever when adding to his tally in 1½m handicap at Lingfield in January. Has faced tougher asks since, shaping as if still in good form when mid-field in the Ebor. Can give his running, though remains 4 lb higher than for his most recent success.

2 8 **SOLARIZE (18)** v **97**
3115-2114 **4** 9-1 | 57.6kg
Charlie Johnston — ***Callum Shepherd***
Progressed again after 7 months off when winning at Southwell in September and followed up on turf debut at Leicester. Good fourth of 23 in the November Handicap at Doncaster, whilst shaping once more as if further than 1½m will suit. Visor fitted kept at this trip.

Ian Williams — ***Charles Bishop***
Got off the mark for the campaign at Epsom in April and placed on his next 3 starts. After 8 weeks off, rare below-par effort in the November Handicap at Doncaster 18 days ago, but he could step forward from that outing.

5 9 **KING'S CODE (50)** (CD) v **98**
05188873 **6** 8-10 | 55.3kg
David Evans — ***Hollie Doyle***
Enjoyed a productive all-weather campaign last winter, including success in this race. Hasn't been at his best of late, though he's back down in the weights as a result. One to bear in mind having won off an 8 lb higher mark to start this year.

6 10 **WAR HAWK (IRE) (42)** (CD) t **97**
24-365561 **4** 8-9 | 54.9kg
Simon Crisford — ***Harry Davies***
Having dropped back below his last winning mark, overcame pace bias to land 13-runner handicap over this C&D 6 weeks ago by ¾ length from Tryfan. Can remain competitive now that he's back up and running.

7 14 **LONDONER (IRE) (42)** (BF) s **98**
95424243 **6** 8-8 | 54.4kg
Daniel & Claire Kubler — ***Marco Ghiani***
Sole success this year came at Lingfield (1¼m) in April but has largely acquitted himself well since, making the frame for the sixth consecutive start when ¾-length third of 13 to War Hawk over this C&D 6 weeks ago.

8 5 **CLASSICAL ALLUSION (63)** (CD) **98**
1-250661 **4** 8-7 | 54.0kg
Andrew Balding — ***Oisin Murphy***
Left behind a lesser effort when gaining a first handicap success over this C&D in September, settling better switched to making the running. Faces a tougher ask to repeat the same tactics in this higher grade.

9 4 **FOREVER PENYWERN (28)** (D) **97**
3211-1382 **4** 8-7 | 54.0kg
Warren Greatrex — ***Harry Vigors*** (5lb/2kg)
Won back-to-back sellers for William Haggas last year. Started off over hurdles for current yard, but completed a hat-trick in this sphere in a Southwell handicap in July. Placed over this C&D on 2 of 3 since, albeit with the run of the race when second on latest outing.

10 1 **TRYFAN (42)** s **100**
92071532 **5** 8-5 | 53.1kg
Harry Charlton — ***Shay Farmer*** (5lb/2kg)
Bounced back to best fitted with cheekpieces when scoring at Ascot in July. Placed on his last 2 starts, shaping well in a modestly-run race when ¾-length second of 13 to War Hawk over this C&D 6 weeks ago. Contender with the promise of a stronger gallop to suit.

11 3 **TIERNAN (IRE) (36)** (D) s **98**
02152635 **4** 8-5 | 53.1kg
Iain Jardine — ***Andrew Mullen***
Finally off the mark in 11f novice at Hamilton in August. Good efforts when placed twice at this course in September, his first 2 races on all-weather, before running respectably back up in grade when fifth of 9 at Newcastle 5 weeks ago. Cheekpieces now added.

12 7 **HAMLET'S NIGHT (IRE) (71)** (CD) s **98**
27764-131 **5** 8-4 | 52.6kg
James Owen — ***Luke Morris***
Has done most of his racing over hurdles for this yard, but back on the Flat he was successful over C&D in February. Also scored at Yarmouth (1¼m) in September, before mixed form over hurdles last month. Could still be on a workable mark in this sphere.

13 6 **CAPE FEAR (56)** (D, BF) **98**
32132152 **3** 8-3 | 52.2kg
Andrew Balding — ***Nicola Currie***
Landed the odds in a Lingfield novice on turf in June and doubled his tally in handicap at Windsor in August. Good efforts both starts since, impressing with how he moved through the race when narrowly denied over C&D 8 weeks ago.

14 2 **SAX AVOIDANCE (IRE) (51)** (CD) **90**
543112 **3** 8-2(7-7) | 51.7kg (47.6kg)
Charlie Pike — ***Tyler Heard***
Continued her race-by-race progression when making all on handicap debut at Salisbury in September. Followed up over this C&D just 3 days later, before running well when second of 9 here last time. Is 9 lb out of the weights in this contest, though.

TIMEFORM VIEW:

This series final can go the way of TRYFAN, who did well to get as close as he did when runner-up here 6 weeks ago. With the potential for plenty of pace in this race, he is fancied to reverse the placings with War Hawk from when the pair met last time, King's Code completing the shortlist as he bids to land this prize for a second year running.

Has gained both wins on all-weather, latterly at Southwell in March. Runner-up 3 times on turf after but both efforts last month suggest she's gone off the boil. Down in trip and this does represent a drop in class with a tongue tie added.

2 4 **GHOST STORY (IRE) (21)** **94**
34344921 **5** 9-11 | 62.1kg
John Butler *Billy Loughnane*
Gained reward for a pretty consistent season in 9-runner handicap at Nottingham 3 weeks ago, ¾ lengths too good for the re-opposing Glenna. Equally effective on all-weather and can remain competitive with Loughnane back in the saddle.

3 14 **MIDNIGHT MEDIA (7)** ★ **100**
21224132 **3** 9-10 | 61.7kg
William Muir & Chris Grassick *Lewis Edmunds*
Reliable sort who gained win number 3 of her debut season at Wolverhampton in October. Ran at least as well when placed both starts since and no reason why she won't remain very competitive from an unchanged mark.

4 5 **GLENNA (IRE) (21)** (D) **96**
52133722 **3** 9-10 | 61.7kg
Tom Ward *Sean Levey*
Consistent rather than progressive and did keep on despite hanging left when good ¾-length second of 9 to Ghost Story in handicap at Nottingham (1¼m, soft) 21 days ago. Shouldn't be much between them again.

5 2 **MOONTUNE (51)** **95**
442 **3** 9-10 | 61.7kg
Stuart Williams *Marco Ghiani*
Dam was useful and showed progressive form in her qualifying runs over 1m having made her debut in August, second of 5 at Yarmouth last month. Upped in trip for handicap debut and represents a shrewd yard.

6 6 **LUCKY LUNA (IRE) (21)** **98**
46162598 **3** 9-9 | 61.2kg
Richard Hannon *Joe Leavy*
Salisbury winner over 7f and runner-up over 9.5f at Wolverhampton in September. Failed to see it out behind a couple of these at Nottingham 3 weeks ago.

7 10 **STAR OF DUBAI (IRE) (89)** **93**
63386-950 **4** 9-9 | 61.2kg
Denis Coakley *Rob Hornby*
Sole success in 1m Bath maiden last spring for Andrew Balding. Encouraging third at Newbury (1¼m) on handicap/stable debut last summer but hasn't kicked on since.

8 13 **ALBUS ANNE (27)** h **96**
67-466316 **7** 9-9 | 61.2kg
Jimmy Fox *Finley Marsh*
All 6 career victories at Bath, off the mark for the season last month. Mid-field in a deeper race at that venue last time and while assessor has given her a chance back on all-weather, others are more persuasive.

9 7 **VILAINE VERLAINE (49)** **95**
250-60257 **4** 9-8 | 60.8kg
Mark Usher *Neil Callan*
Lightly raced in recent times and runner-up effort over 2m here in June has been surrounded by lesser efforts. Back in trip and has plenty to prove.

10 11 **LUNELLA (IRE) (23)** **95**
3244 **3** 9-8 | 60.8kg
Ollie Sangster *Hector Crouch*
Lope Y Fernandez filly who showed fair form on first 2 starts in turf maidens at up to 11.5f this summer. Easy to back on handicap debut but back on track when fourth over what was an inadequate 9.5f here 3 weeks ago. Hampered too so has a bigger performance in her back up in trip.

11 8 **JUST QUEEN HIGH (IRE) (21)** s **91**
09097028 **4** 9-7 | 60.3kg
Ian Williams *Charles Bishop*
Won maiden and handicap (both over 6f) at Nottingham in 2025. Runner-up effort at Bath the only time she's given her running this season and hopes pinned on step up in trip.

12 1 **CARAWAY (22)** **98**
13225122 **3** 9-6 | 59.9kg
William Haggas 🏇 *Darragh Keenan*
Doubled tally at Wolverhampton last month and from 5 lb higher, confirmed she's in good heart with a pair of runner-up efforts since. Sticks to her task well so slight drop in trip won't be ideal unless they go a good gallop but she can give it another good go.

13 12 **GOLDEN PHASE (63)** **91**
23130-640 **6** 9-5 | 59.4kg
Denis Coakley *Hollie Doyle*
Made all at Salisbury last summer. Lightly raced since and doesn't look of much interest.

14 9 **MUSICAL ACCORD (58)** **90**
76670 **3** 9-3 | 58.5kg
Ralph Beckett 🏇 *Rhys Clutterbuck*
Good pedigree but hasn't shown much sign that she can live up to it so far.

9588U-716 **4** 9-7 | 60.3kg
Mark Usher — ***Rose Dawes*** (3lb/1kg)
Always to the fore in a well-run race and produced just about his best effort yet when taking 8-runner handicap here (1m) in January. Shaped as though still in good form over C&D 3 weeks later but he's been off the track since.

9 2 **GUILTY VERDICT (26)** **94**
439-926 **3** 9-6 | 59.9kg
Jim Boyle — ***Hector Crouch***
Lightly-raced 3-y-o. Beaten only ½-length in a 1m handicap at Newmarket last month. Possibly found race coming too quickly there 8 days on. Less exposed than most in here and doesn't have much to find to be competitive on all-weather bow.

10 13 **HEXAGONAL (IRE) (28)** **92**
01071979 **5** 9-5 | 59.4kg
Jim & Suzi Best — ***Finley Marsh***
Ex-Irish gelding who doubled his career tally in claiming company at Roscommon (10.4f) in August. Low-key start for current yard at this venue and usual tongue strap still missing.

11 14 **HELLO HUMPHREY (350)** **90**
0022343- **3** 9-5 | 59.4kg
Mark Usher — ***Joey Haynes***
Remains a maiden but placed on 4 of last 5 starts to end 2025. Off 11 months so he's entitled to need this with stall 14 also a negative.

12 1 **MOLLSTAR (34)** **95**
4437-296 **3** 9-4 | 59.0kg
Ed Walker — ***Ashley Lewis*** (3lb/1kg)
Showed ability when second of 3 back from an absence in August. Has failed badly to back that up both starts in handicaps at long odds, albeit she did have a track position excuse at Newmarket.

13 5 **ENOUGH ALREADY (305)** **95**
7099836-7 **10** 9-2 | 58.1kg
Jim & Suzi Best — ***William Cox***
Well handicapped on winning Dundalk for Ado McGuinness. Little impact for current yard but one to monitor in the market from a low mark starting out for new yard, albeit he is 10 now.

14 12 **KING CHERRY (IRE) (28)** (C) h+t **96**
64091030 **3** 9-1 | 57.6kg
Stuart Williams — ***Sean Levey***
Revitalised by the application of a hood/drop back in trip when making all over 6f in September. Rather in-and-out since and suspicion is that he's been dominating over a shorter trip.

14 DECLARED RUNNERS

BETTING FORECAST:

7-2 Phoenix of Dreams, **9-2** Split Elevens, **15-2** Token Gesture, **10-1** Billy Mill, **14-1** King Cherry, **14-1** Guilty Verdict, **16-1** Rhythm N Rock, **16-1** Hello Humphrey, **25-1** Mollstar, **25-1** Enough Already, **33-1** Pints In Peace, **33-1** Arctician, **50-1** bar

TIMEFORM VIEW:

Stall 11 could have been better but PHOENIX OF DREAMS is at the top of his game on all-weather at present so he may well overcome it under a penalty. Billy Mill is a reliable proposition at this venue, with Split Elevens completing the shortlist.

TIMEFORM 1-2-3:

1. PHOENIX OF DREAMS 2. BILLY MILL 3. SPLIT ELEVENS
