9 Noor Schermer made a strong race on Swedish soil last year when she won. She was good in the last race too and is the best horse in this field. Our pick as she can win in different ways. **8 Isabelle Ima** had three wins in a row before the last V85 race. Down in class now and she is an early choice. **6 Lively A.F.** is the favorite for the lead and chasing the first win of his career which should come any time. **4 Mo Salah** makes his seasonal debut and competes barefoot back for the first time.

Has a good starting position and gets the tip. **7 Meydan Silver** made some nice races last year and was matched in tough groups. Seasonal debut and will compete barefoot back straight away. **8 Kick the Man** got locked in with energy left two starts back and competes barefoot for the first time here. **6 Alastair** competed in the V85 last time and is going down a lot in class now.

10 Young did well two starts back even though he was in an easy company. Met better horses last time and held strongly as second. Benzon is a very good driver for this race. Our pick! **6 Lucia di Quattro** has made several good races against tough opposition before. Was a winner in the last race and is good enough here too. **8 Navy Zon** was good as third in the last race against better horses than she is facing now. **7 First to Fight** is going down a lot in class now. Is a bit up and down but really good on a top day.

2 Hankypanky Slander seems to be well prepared before this comeback. Barefoot is very interesting and the horse had several strong performances last year even though it only resulted in one win. Our pick! **6 Nagoia** is a capable horse who has not fully shown his potential so far this year. He is going down a bit in class now and is the main challenger. **8 Chippen Dee** is very good for this company but his form is uncertain. **7 Humble Malt** is consistent and good.

9 Brenne Viktoria faces a tough 60 meter handicap, but has a high minimum level and we like Björn Goop as a driver now. Our pick!
2 LanglandsBallerina owns very high capacity, but is not reliable. Early choice. **8 Åse Fryd** is a stable companion who was really good as second in the V86 two starts back. Should not be overlooked here.
1 Mjölner Tordis is interesting in the first circle. He does not win often but should not be forgotten here.

11 Sanctuaire won from first over in a 1.12-time in the last race. Returning to shoes now, which is a minus, but has shown high capacity for this class and is the horse to beat after the last performance.
7 Easy Pick has developed very nicely lately and won two of three races this season. Challenger! **6 Bee My Clementine** sprinted fast over the home stretch in the last race. Is developing well and should not be overlooked with the right journey. **9 Pure Glamour** started promisingly with two wins in a row. Should not be overlooked.
