7 Alma Prins won easily in the last race and beat several of today's opponents. Tougher conditions now but this small field is a clear advantage. Good chance. **6 Il Jerven** was second behind Alma Prins in the last race but faces better conditions now. Doesn't win that often nowadays but is a contender behind our favorite. **5 Bragd** won seven out of 19 races last year. Was fifth in the last race behind Alma Prins and his form is a bit of a question mark. **4 Rygval** is coming off a win and is in good form. With a similar effort he will be in the fight again.

Nice number and early challenger. **3 Stumne Hurra** met very good horses at Dannero last time. He had put in two good performances before that and should be considered here. **1 Stensvik Mio** galloped in the lead in the last race and was not empty then. Of course she is looking for revenge and has a good lane.

Place chance. **2 Royal Act** is not a superstar either but he also has a nice lane and is possible behind our banker.

A bit tricky number but is an early choice in this field. **12 Golden Rags** has a poor lane but the horse has been consistent and good towards the end and hopes for quick pace from here. **4 Sweetwater** is not reliable but he probably likes this short distance.
