4 B.W.Prinsessan showed the right attitude from the lead last time. The mare was also good the time before and she comes to this start in top form and she should have a good chance of winning. **5 Guli Rasmus** has three straight gallops. Owns the speed to win the race without a mistake. **3 Lundåsens Linus** did well at the beginning of this season but hasn't shown the same form at the end. Could surprise, but then he also needs to rise his level. **7 Tore Pirat** did well in the last race, finishing second behind Tekno Boris and will soon take his first win.

6 Staro Timo came back after a pause last time but made a mistake from the start. The four-year-old has good speed and without an error he should have the best chance to win this race. **1 Billan** did well in the last race from the lead. Quick starter and is the horse to beat from the front. **10 Spice** started her career with two wins in a row. Now the mare comes back after a pause and has to be considered straight away. **15 BGMajorn** has a difficult starting position, but in case of quick pace and with the right backs he could very well prove to be the strongest at last.

7 Tangen Tore opened fast two starts back at Harstad. Wasn't as good last time but if he is as good as when won, he won't be easy to resist during the final lap. **5 Stuve Skarp** is a five-year-old who is used to win but has not been able to do so at the end. New driver and from the lead he is a contender. **9 Våler Nikolai** was clearly positive in the last race. Is tough and should be followed here. **8 Björgen** is consistent, but this time he is mainly a place bet.

5 Justcantgetenough has been matched against tough opposition this year and has a good chance despite not being in top form. **3 Almond Remix** is aiming for the lead where all three wins have come from. Barefoot is an interesting change. Early challenger. **1 Gone Fishing N.O.** is quite consistent. Good number now and from the pocket he could be dangerous. **2 Västerbo Athos** got a run under his belt in the last race. Certainly improved now and should not be completely discounted.
