1 Makian Degato is our pick in this very weak race. He is the only horse who has won this year and should get a nice trip from here. Julian Cordeau is really good for this race. **4 Only Angelica O.C.** has a nice lane and is our favorite for the lead. She has been consistent towards the end in tougher company and should be considered early. **2 Benedetto OP** has twelve wins in 30 starts but the horse is very hard to predict with only one run under his belt after a very long layoff. **6 Jetborne** has competed sporadically but could be on the way up with two runs under his belt. At least an outsider in this field.

10 Fabison is our idea. He won earlier this year and comes from a good performance at Karlshamn. Meets mediocre opposition and passes many horses here. **8 Lorenza Nownow** has only scored one win in 29 races but been quite consistent at the end and should be considered in this poor field. **7 Classic Games** has never won but he too comes from several alright performances. Early choice despite this lane. **12 Gem Templar** is a quick starter but has got a tricky number but she has already taken a win this season and faced tougher horses than these. Possible despite this lane.

12 Flys Popcorn has a difficult post but faces the best conditions money-wise and comes from a good second place at Visby. He is the only horse who has won this year and Julian Cordeau is a good driver. **6 Tjurkhults Stella** won two races last year and is a little better than the latest results show. Fredrik Perssons horse can open fast and is our favorite for the lead. **7 Heartbeat Ellie** is also really good for this field. Sprinted to a fourth spot last Tuesday and seems in good form. **4 Caddie Skott** had a pretty good season last year and was second in the last race. He is a quick starter and should get a nice trip.

RANK

6 Inter K.P. is our winner. Did alright as third in mid-June and got locked in behind the leader in the race after and had a lot of energy left. Was matched in a tougher race last time and faces easier opposition now. Our favorite for the lead. **10 Mr Fantastic** won two races last year but is still without victory this season. However, he sprinted nicely to a second place in the last race and looks to be in good form. **7 Mister Aloha** is one of the best horses in this race. He had a pretty good season last year and started well this year too. His form is a question mark now but he faces easier opposition here. **5 Silpinge Speeder** is not a superstar and has not won for a while but he is a quick starter and could get a perfect trip behind our favorite.
