Galloped on the way to victory in the last race. **1 Baby Love** just kept up the pace in the last BC semifinal but has met tough horses.

1 Vejmo Märta has great speed and is developing well. She galloped last time but still won easily. However, she has not been a quick starter from this inner lane recently. **6 Monster Mitchi** was in a very strong company last time and has taken a break since then. Normally good and strong enough to be in the mix. **8 Brenne Maja** is very fast but doesn't always fight. Good chance to take the lead despite this lane and Björn Goop now! **3 Bäcklös Maja** did not impress in the last race but is much sharper over the short distance.

3 Jack Johnson Zet was second in a Klass III heat in a good time and in the final he was a bit unlucky. He is working well and has a good chance of leading this all the way. **5 Global Enforcement** is good though. He challenged a really good horse in the last race despite an impossible lane. The trainer is pleased. Early choice. **2 Eldh** is a very quick starter but gives often away the lead. Place bet. **4 Atlantico** has scored a couple of quite cheap wins in a row but has been on the way up.

10 Sandsjöns Cantona is the best horse in this race and this task is perfect. He was brilliant in the last race and could find an early lead here. **3 Conrads Jane** started promisingly and set a 1.13-time behind top horse Cruiser in her second start. After that, she has not been as good though. **1 Mr Moustache** was really good this spring and early summer but lost form. Has taken a break. **6 Alabama Slammer** was brave from the outside of the leader in the last race.

5 Time To Run sprinted fast two starts back and was unlucky in the last BC final. Fine form and good chance of finding the lead here. **10 Olli Boko** is very capable and was sixth in the Harper Hanovers, and won a Bronze Final in June. Run under his belt now. Early choice. **7 Portofino** is very strong and tough and although he doesn't win very often anymore, he got locked in last time. **11 Maserati Hall** looked very nice in the warming-up before the last race but got locked in. Warning!

RACE 9 — V64-6 — Volt 2140

6 Feliziore is a bit special but has good speed. Here she has an exciting lane and will be driven by the same gifted driver as last time. Goes for the front and has a good chance of winning. **11 Surpriced Tooma** is mainly strong, and has the right attitude. Outstanding from outside the leader last time. **12 Hervey Island** should have won in the last race but the track was really bad that night and the opposition was tough. **9 Stylish Jog** finished really well in the last race and is in great shape.
