1 Sensational Doc has done really well and very good for this class. He is not a very quick starter though so this number could be tricky. However, he can do it tough. **11 Five Bring Joy** is the main challenger, but the horse needs some racing luck from this number. **2 Extra Sweet** returns after more than a year's layoff. Not reliable, but owns good speed. **9 One Big Bang** did alright in the last race after a good finish.

9 Calmin looks very talented and is just getting better and better. Still quite inexperienced and not completely reliable, but owns good speed and strength. Our pick. **6 Joe's Legacy Games** was matched in tough company in the last race but galloped into the first turn. Good chances of finding the lead. Has to be considered. **11 Fabio Fognini** started his career with two straight victories, but was only fourth in the last race from first over. **2 Sergio** has done alright so far, but this starting position is perfect.

1 JH Birdcherryman has not exactly convinced so far in his career, but the four-year-old son to Winter Harbor can certainly do better than that. **4 Timotejs Oki** scored a good win in the last race. He won straight away the debut for this trainer, but in the last race he galloped. Has to be considered without a mistake. **10 On Track Corleone** is chasing the first win of his career.
