2 Victormoon Gyll took an easy win from the lead in July last year but has not convinced since then. Now makes his debut for new trainer Linda Sedström and we expect him to be well prepared. Quick starter and our favorite for the lead. Our pick. **10 Lime Lane** has taken three wins in eleven starts this year and earned the most money. Coming off a win from the lead with today's driver but has a different number now. Early choice anyway. **4 Kiikku's Chanceux** is also good for this rather weak race. Has been consistent towards the end and is well drawn. **11 Bearmind** took two consecutive second places this summer together with today's driver and with a similar performance she can surprise despite this lane.

4 Gambas E.L. won after an inside trip two starts back but was clearly beaten last Tuesday. Has a better task now and is our favorite for the lead. Our pick in an open race. **7 Congratulations** won easily from the front in the last Visby race. He faces similar opposition this time and is driven by Kevin Oscarsson. Offensive start? **6 Gilbert** is quite consistent but also a bit slow and hopes for high pace. In that case he could be in the fight for victory. **2 Floriman** has not won yet but can definitely break score the first victory in this rather weak race. Can open fast and should get a nice trip.

7 Homely Style is our idea. He comes from two fourth places in tougher races and is very fast from the start. Vi hope Johanna Lind goes for the lead and in that case this could be interesting. **8 Jadwiga Zet** has done quite well this year and she will also face easier horses this time. Poor lane though and the question is where she will end up from here. **10 Ture Travare** has been quite consistent towards the end and is good for this race. Of course he needs a bit of racing luck from here. **1 Mila Kunis** is a stable companion to Jadwiga Zet and is driven this time by Kevin Oscarsson. Should get a nice trip from here. Possible.

2 Scarlets Silvia gets the tip as we think she finds the lead after a while. She will face easier horses than at the end and could lead this throughout. **1 Kobra** is probably as good as our winner but hasn't won for a long time. However, he is a quick starter and will probably get a good trip. Finds the pocket? **8 Good As Caviar** is probably the best horse in this race but has a difficult number. Finished well in the last race and is Claes Svensson's pick in this race. **5 Jackson Storm** is a stable companion to Good As Caviar. He was third with today's driver in April and also third last time after a layoff. Run under his belt and good number.
