3 Luxury Rain made a really strong debut for this trainer even though most things went wrong during the race. Regardless, it was a strong improvement. With that run under the belt, she should be on the way up. Our pick over these nice conditions. **5 Maroon** is fast from the start and will make an attempt to get past Luxury Rain, which is not impossible. Despite having gained quick money she shows good class for this company. **7 Caribbean Lemon** is tough lady and has shown the right attitude, strength and speed. **6 Have A Drink On Me** delivers nice performances in tough companies. a bit behind the winner.

11 Stensjös Farit has done quite well in good company. Here he steps down a bit in class, faces good conditions and is driven by Carl Johan Jepson again. Our winner. **3 S.B.'sPeakyBlinder** has opened fast in the circular start. However, there have been some question marks towards the end. If he avoids a mistake and finds the lead, he is an early contender. **5 Easy Choice** should have made significant progress in form. Has got a ridden race under his belt. **1 Yukon Flow** could get an optimal run in front from this number one. Dangerous but needs some racing luck.

4 Bill Weasley was matched in higher class last time but convinced a lot when he found the lead easily, gave it away and finished strongly as second behind promising Money Today. The task looks a bit easier here and with the speed he has shown it looks set. **3 M.B.S.Power** has started her career promisingly and her development curve is pointing in the right direction. On the way up. **2 Sussistrong** has a good reputation. Owns good starting speed and the form is nice. Will get a good trip. **9 Completed A.F.** got a tough start in the last race but had shown good capacity for this class before that.

7 Flight Sequence has been improved a lot this year and was impressive in the last V85 race. His form is top notch and from a nice lane Robert Bergh will go for the front. Once in the lead he will be hard to reach. **10 Fusion Eagra** has been in the Silver division recently and done well. He is going down a bit in class here. **4 Cross Lane** is very gifted but a bit up and down. When he competes at his best, he is often in the mix. **3 Miyagi** is a bit hard to predict after a poor performance in the last race.
