5 Garbino has high capacity but is not always reliable. Is working well and with a normal performance he should have a good chance of winning a race like this. **1 Inter KP** did well in the last race from a poor starting position. Better conditions now and is one of those who can win the race. **3 Corsa Astrea** got locked in with energy left in the last race and gave a lovely impression. Is ready for the first win of the year. **8 Hans Palema** didn't get it right in the last race but can do much better than that. Has to be considered.

6 Toto Tooma has met tough opposition lately and is now clearly stepping down in class. The three-year-old can do it tough and should have a good chance. **12 Capriolo** won the last race but did not trot well. Difficult draw, but has the capacity to pass the whole field. **11 Runner Lobell** galloped when finding an opening at the end in the last race and had energy spared. This is a horse with great potential. **7 Martin Palema** got a much run under his belt in the last race. Barefoot is exciting.

8 Jeriko Brick is not an easy horse, but owns great speed and capacity. When he avoids a mistake he should have a good chance of winning despite this number. **4 Spartakus** has not started since March. He is working well and we can probably expect a strong effort straight away. **12 Fly Top** put in two strong performances on Swedish soil last year. Strong finisher who can easily pass the whole field. **1 Wehadthemall** can hardly hold the lead from here. In the mix with an opening in time.

7 Joakim Palema looked in good shape in the last V85 race at Kalmar. It was the first time barefoot and it will be the same now. Good chance. **12 Timotejs Gamble** won easily in the last race and looks to be developing well. Tough draw, but he is versatile and can do it tough. **4 Wanheda** needs a nice defensive trip just like two starts back when she scored a nice victory. Is good enough to win with the right journey from behind. **9 Assar Wibb** doesn't win very often but is in really good form. Should be considered.
