COAST CREMATIONS CUP CLASSIFIED STAKES (6) 3yo+
(Rated 0-50) £6,600 5f215y (1200 Metres)

Going: **Good to Firm (Good in places)**

Left handed, sharp. 'U' shaped and around twelve furlongs in length, the pronounced gradients make it a track for handy, athletic types rather than big, long-striding sorts. The first half of the twelve furlong course is essentially on a gradual climb before levelling off, whilst the final furlong or so is also uphill. When the ground gets testing, the runners are usually brought stand side in the closing stages.

BETTING FORECAST:

4-1 Big Time Rascal, 11-2 Valsharah, 11-2 Port Hedland, 6-1 Washington Heir, 12-1 Saeculamation, 12-1 Frankali, 14-1 Lynwood Lad, 18-1 Lesley Buckley, 25-1 Apple's Angel, 33-1 Coast, 50-1 bar

TIMEFORM VIEW:

BIG TIME RASCAL finished behind Washington Heir here 3 weeks ago but that rival was seen to better advantage and given the overall profile of both, he can come out on top this time. Bigger threats may emerge in the shape of Valsharah and Saeculamation given they tackle classified company for the first time.

		James Owen		Harry Davies	
Did well last season, winning Chester handicap before runner-up 3 of next 4 starts. Looked rusty first 2 starts this season 11 weeks apart but just about better than ever when second over C&D 3 weeks ago, collared close home. Major claims up just 1 lb.					
2	4	SPIRIT OF ALBION (IRE) (12)	b		92

		Michael Appleby		Paddy Bradley	
Placed in a trio of maidens before losing his form for Amanda Perrett. Hasn't been with this yard long and this represents a drop in class but his ingrained issues out of the stalls remain a major concern. Blinkers on for the first time to replace a hood.					
3	5	BUY THE DIP (29) (CD)			96
		97904-162 6 9-6 59.9kg			
		Jim Boyle		Pat Cosgrave	
Ran right up to his best when making a successful return from 6 months off on the all-weather in April. Pitched in too deep next time but back in a 0-65, he was headed right on the line on latest outing. Can remain competitive back on turf.

Temperamental sort who looked a particularly hard ride without the cheekpieces when sixth at Kempton in December. Off since and headgear still left off but he is a 3-time C&D winner who is below his last winning mark.

		22145478 4 9-3 58.5kg

Gained reward for his consistency at Lingfield in February. Sound efforts next 3 starts and possible to excuse both efforts later that spring. Now back on that successful mark.

TIMEFORM VIEW:

ROGUE DYNASTY ran right up to his best when second over C&D 3 weeks ago and a repeat of that level may well suffice from just 1 lb higher. King of War was behind the selection that day but he's since added to his tally over 7f at this venue and he's a definite threat, with Antiquity also of some interest back on his last winning mark.

		Upped his game in handicaps this year, in first-time cheekpieces when doubling his tally at Wolverhampton in February. Shaped better than the distance beaten when fourth of 6 at Southwell (1m) in April but well held both starts since and has to prove he's as effective on turf.		
2	2	BENNYWORTH (IRE) (19)		97

		Charlie Pike	Nicola Currie	
		Failed to go on from her encouraging debut third for Paul Attwater as a 2-y-o but has found her feet for new connections, runner-up twice in April. Met with trouble at Bath 17 days ago and she's of serious interest for a yard among the winners of late.		
4	3	HOVE RANGER (FR) (18)		99

		Got off the mark despite the drop back in trip at Kempton (7f) in February, ultimately winning a shade cosily in the end. Seemed to get bogged down when fifth of 7 in handicap at Goodwood (1¼m, heavy) and 1m could be ideal for now.

BETTING FORECAST:

5-2 Hove Ranger, 10-3 Denby's Dream, 9-2 She's Crafty, 5-1 Aneirin's Sword, 11-2 Bennyworth

TIMEFORM VIEW:

The Charlie Pike team has been in good form of late so DENBY'S DREAM could be the answer in a quest to shed her maiden status given she had no luck at Bath last time. A mile could be the right trip for both Hove Ranger and Bennyworth so they are feared most.

5	8	CARTWHEEL (17)	h+t		99

	Without a win in handicaps this year, but with tongue strap added she stayed on for third in 8-runner handicap at Leicester (1¼m) last month. However, failed to back that up when well held at the same course (1½m) 17 days ago, racing freely.				
6	3	SAN FRANCISCO BAY (IRE) (15) (D)			96

8 DECLARED RUNNERS

TIMEFORM VIEW:

BOHEMIAN BREEZE capitalised on his reduced mark when winning over this C&D last time, doing well to reel in a rival who got first run, so a rise back up in the weights might not prevent him from scoring again. Little She arrives in good heart and could be the main danger, ahead of the class-dropping Man Is King.

	Successful twice here in 2025 and made the frame 3 of first 4 outings this year, including when length third of 11 at Redcar in May (the first 2 winning since). Respectable fifth of 13 here (6f) last time and she can give her running back up in trip.			
5	10	JACKSON STREET (IRE) (29) (D)		96
	7351-2764	5 9-8 60.8kg		
	Michael Attwater	William Carson		
	Took advantage of reduced mark at Lingfield (7f) in December and hasn't had things go his way at the same venue last 3 starts, left poorly placed when fourth of 7 over 6f on latest outing. Not ruled out but could do with being better away from the stalls.			
6	8	JOYCEAN WAY (8) (BF)	b	97
	5234-8833	5 9-8 60.8kg		
	Gary & Josh Moore	Tom Queally		
	Long-standing maiden but placed twice at this course (1m) in the autumn and third here on 2 most recent outings, though was unable to justify favouritism in 6-runner handicap (1¼m) 8 days ago. Drops back in trip with usual blinkers replacing cheekpieces.			
7	6	PREFER THE SISTER (IRE) (8) (D)	t	99
	337-07423	6 9-7 60.3kg		
	James Owen	Paddy Bradley		
	Sole success back in December 2024 but has made a positive start for current yard with placed efforts the last twice, 1¼ lengths third of 9 to Dion Baker over this C&D 8 days ago. Has her quirks (flashed tail last time) but could be in the mix.			
8	11	LUNANOVA (16) (C)	h	95
	6959-6076	4 9-7 60.3kg		
	Luke Dace	Jude Fernandes (71lb/3kg)		
	Succesful 3 times over 1m here last summer. Looks to have been finding her feet in 4 starts for current yard this year, unable to sustain effort when mid-field at Salisbury (1m) 16 days ago, so this run should reveal more back down in grade at this track.			
9	4	HENRY TUDOR (32)		93

	Mark Hoad	Ashley Lewis (51lb/2kg)

TIMEFORM VIEW:

Preference is for HAVANA MOJITO who has benefited from the fitting of blinkers with runner-up efforts at this course the last twice. He's now 4 lb better off at the weights (also gets apprentice on board) with Dion Baker from 8 days ago and is taken to reverse the placings, with Prefer The Sister completing the shortlist.

RACE 6

YEOMANS TOYOTA PROACE HANDICAP (6) 3yo (Rated 0-65)
£6,600 6f210y (1400 Metres)

Going: **Good to Firm (Good in places)**

Left handed, sharp. 'U' shaped and around twelve furlongs in length, the pronounced gradients make it a track for handy, athletic types rather than big, long-striding sorts. The first half of the twelve furlong course is essentially on a gradual climb before levelling off, whilst the final furlong or so is also uphill. When the ground gets testing, the runners are usually brought stand side in the closing stages.

Draw: **N/A** Pace Information: **Very Weak**

1	5	PRETTY DANIELLE (IRE) (26)	s	95
		34345-396 3 9-9 61.2kg		
		Richard Hughes	Non Runner	
Best effort when third in a Lingfield handicap on return but hasn't repeated that in 2 subsequent outings, in first-time blinkers when sixth of 8 at the same course last time. Eased in grade here, though, with cheekpieces now the choice of headgear.				
2	3	CREDIT FORGEDD IT (IRE) (155)		97
		044452-59 3 9-7 60.3kg		
		Simon Dow	Paddy Bradley	
Ended 2025 with a good second at Wolverhampton (8.6f) in December. However, wasn't in the same form in 2 starts in January, well held at the same course (6f) when last seen. First run since leaving Richard Hannon.				
3	7	VENETIAN ROMANCE (IRE) (35)	s	95
		375-946 3 9-6 59.9kg		
		Dr Richard Newland & Jamie Insole	Jack Callan (3lb/1kg)	
Fitted with cheekpieces, stepped forward from seasonal/stable debut effort when fourth of 12 in handicap at Leicester in April. Failed to build on that switched to making the running at Lingfield 5 weeks ago, though it still remains early days for current yard.				
4	6	NORCROSS BROW (4)	★	100
		028-24683 3 9-6 59.9kg		
		Charlie Clover	Saffie Osborne	
Free-going type who showed fair form for Ollie Pears, making the frame in first 2 starts in handicaps this year. After 10 weeks off, made an encouraging stable debut when third of 7 at Newmarket (1m) 4 days ago and the return to 7f could suit as he drops back in grade.				
5	1	MISS STARLET (IRE) (20)		96
		6434-580 3 9-1 57.6kg		
		George Margaron	John Egan	
Made the frame 3 times as 2-y-o but her form has gone the wrong way in a trio of handicaps this season, tenth of 14 at Yarmouth 20 days ago.				
6	4	PIMENTEL (3) (CD)	s	96
		977512-62 3 9-1 57.6kg		
		Marcus Tregoning	Ashley Lewis (5lb/2kg)	
Won novice over this C&D in September and, after a further 5 months off from first start this year, ran well when second of 6 in handicap at Chepstow (6f) 3 days ago. Pulled clear of the rest last time and she's a major player back here.				
7	2	ELECTROCUTION (28) (D)	b	99
		72133894 3 8-10 55.3kg		
		Chelsea Banham	Joey Haynes	
Off the mark at Wolverhampton in February and, after a couple of lesser efforts, got back on track in first-time blinkers when fourth of 8 at the same course last time, despite having been left poorly placed. One to note as he makes turf debut.				

7 DECLARED RUNNERS

BETTING FORECAST:

3-1 Norcross Brow, 4-1 Pimentel, 5-1 Pretty Danielle, 6-1 Venetian Romance, 8-1 Electrocution, 8-1 Credit Forgedd It, 14-1 Miss Starlet

TIMEFORM VIEW:

PIMENTAL shaped well when beaten only by an improver at Chepstow 3 days ago and she can build on that effort to record a second C&D success. She gets the vote ahead of Norcross Brow, who showed promise at Newmarket on his recent stable debut, while Electrocution returned to form in headgear last time.

TIMEFORM 1-2-3:

1. PIMENTEL 2. NORCROSS BROW 3. ELECTROCUTION
