6 J.K.Bäskén found the lead two starts back together with today's driver Julian Cordeau and won by a wide margin. V85 last time but easier now. Gets an offensive trip again? Good chance. **9 Lizzy** has already won twice this year and comes from victory. Seems in good form but has a bit of a tricky number. Very early choice in this field. **10 Dencolicensetokill** was second last time at Åby in a slightly bigger race than this. Faces good conditions and has to be considered. New driver and barefoot. **5 Stormy Wareco** has won two out of 14 races. The form is a bit of a question mark but the horse runs barefoot for the first time.

9 Joakim Palema is the best horse in this company. He was a good fourth in the V85 at Kalmar in June and faces easier horses now. He is also driven by talented Julian Cordeau. **10 Josåfin af Solnäs** has been consistent and good this year but faced too tough horses in the last V85 race. Knows the driver well and should be considered here. **5 Bluebeat** is not bad at all and has a better lane than the favorites. We guess Saga Laursen goes for the lead here. Interesting from that position. **8 Kinky Simoni** comes from Christoffer Eriksson and makes his debut for Eveline Månsson here. He has had a short layoff and should not be overlooked despite this poor lane.

6 Baron D.Sox earned more than SEK 400,000 last year for Joakim Lövgren. Hasn't really lived up to that for new trainer Christoffer Eriksson but if he avoids a mistake, he has to be considered in this company. **7 Hidden Dragon** has earned the most money this year and been consistent and good. Was not empty as fifth in the last race and is a contender together with Håkan B Johansson. **11 Extremely Sweet** has competed in the V85 recently and was not empty as fifth last time. Easier now and races with a bike. Driven for the first time by Philip Björk. **10 Makian Degato** won two out of seven races last year. He competed as recently as last Monday at Tingsryd. Possible if he handles tight starts.

3 Moni Talks is clearly better than the latest results show and has a nice task here. He did alright as fifth last time and should be improve by that run under his belt. Good post. Gets an offensive trip? **8 Working Girl** took the lead after a while at this track in April and won by a wide margin. Comes from a tough race but easier now again. Early choice despite these conditions. **5 Meryl Streep Boko** got an impossible trip last time and forget that race. Had put in consistent and good performances before. Good lane and possible here. **6 Trend** didn't convince last time but can do better. Was good as second from the pocket at Jägersro in June. Should not be forgotten.
