1 Menza has dominated his year overall and has scored a fantastic 13 wins in 13 attempts. Although there is a risk that he cannot take the lead straight away, he will probably find his way out and be driven into the front after a while. Once there, he will be hard to beat. **5 Malthe S.H.** is a quick starter and like last time he could be the one who finds the lead and give it away to Menza. **7 Maddox** has finished really well twice in a row. **3 Magic Speed** is a fast starter and could reach a good position.

He is really strong but handles this short distance too. **5 Fiftyfour** has good capacity but is hard to predict after his recent gallops. **1 Natorp Bo** is a quick starter and could get a nice trip behind our pick.
