10 Call Me Otilia has developed very well for Johan Untersteiner and taken several V85 wins. Won despite a handicap in the last race and should have a good chance again with a similar effort. **3 Sherburne S.** has now made four starts for Christoffer Eriksson and done well. Coming off a strong win from the outside of the leader and is driven by his trainer this time. Good lane. **9 Pure Glamour** was third behind our pick two races ago and actually bet more heavily then. Coming from a win and is in good form. Should be considered. **4 Easy Pick** has won four out of ten races and has done very well. Has a bit of a tricky number and is driven this time by Ole Johan Östre and that is not an advantage.

2 Guilia Barosso has started well with one win and two second places in four starts. She opened fast to the front from the same number last time and we think she will reach that position again. Good chance with Björn Goop this time. **4 Out or In** took his first win in the last race. Won from the lead and will probably get an offensive start from this nice lane. Has one run under his belt now and should be on the way up. Per Linderoth is driving now. **7 Andromeda** also has one win in four races which was taken in the debut. However, in the last race the horse gave up from the outside of the leader. Tricky number but at least an outsider. **9 Miss J.P.** has been quite consistent and good but is still without victory after six starts. She is not bad at all and could cause an upset.

1 O.M.Megastep took the lead with today's driver Carl Philip Lindblom at this track in May and scored a good win. Should reach a nice position from here, maybe the lead again. **5 Måneskin** has shown good form of late and was brave as second in the last race. Not an easy lane here but an early choice with the right journey. **10 Ile de France** galloped from the start in the last race but was still able to sprint to an easy victory after an inside trip. Is driven by gifted Niclas Benzon this time. **14 Nice View C.G.** won from the outside of the leader in the last race and showed that he can do it tough. That is necessary too from this lane.

3 Spice on Ice S. has started three times for Christoffer Eriksson and done well. Was closely defeated from the lead in the last race and is looking for revenge. Our favorite for the front. Good chance. **2 Medavoy** made three starts for Mattias Djuse and took one win and a second place. Now returning after a long layoff for Marcus Schön and is probably well prepared. Magnus Jakobsson drives. **6 Go Steed** got a tough trip last time and we forget that race. Was outstanding two starts back and is in the fight for victory with a similar effort. Quick starter. **7 L'Ultrason** started his career with two wins in a row. Is really good for this company but has not raced since November. Debut for a new trainer. Needs this race?

2 Timotejs Online is a really good horse who had a top season last year. Is much better than the latest results show and has a nice task here. Meets easier opposition now and is well drawn. **8 Jubii Vang** was also successful last year. Raced in France earlier this year but is back in Sweden and coming off a win. Two runs under his belt and on the way up. Tough post. **5 Limoncello Boko** was third behind Jubii Vang in the last race but should be improved by that race. Is a quick starter and will probably get a nice trip. **12 Caughtredhanded** is one of the better horses in this race but has a difficult lane and resumes from a pause. Hopes for quick pace and could surprise.

2 Oksamit W.H. is our idea in this nice race. He sprinted really well in the last V85 race but galloped over the home stretch probably on the way to a third spot. Has enormous speed. Good chance with the right trip. **9 Firedup** also comes from Norway and is just as good. He has won five of nine races this year and convinced a lot. Tricky number here though. **5 Good Guessing** is trained and driven by Björn Goop and has done well. Was brave in the last race and is in fine form. Good lane. **6 Maui Sun** is our close favorite for the lead and he likes to run in the lead where he won a V85 race in January. Has to be considered.
