2 Grace In Heaven has had a nice development during the last month and won after a fast final lap in the last race. Towards the front again. **3 Morning Rain** is a stable companion to our pick and this is also an exciting horse. She found a late opening in the last E3 final and was close. **4 Retro Racer** won a Margareta race after a tough journey two starts back but was clearly beaten by our pick one last time. **7 Irina Jet** is better than the latest results show and held strongly from outside the leader in the last race.

4 Pretty Effect finished with energy left in the last race despite a tough start. She has the best number of the favorites here and has a good chance from the front. **5 Realize' Em** won easily from the lead in the V86 five starts ago and did alright behind a good horse in the last race. **9 Ginevra Ek** got a very tough opening in the last race and gave up. Faces only mares now and much easier. **2 Ziva Bris** won from the front and got locked in last time.

4 Our Own Pastime is well drawn and won easily in the last race after being driven to the lead early on. More strong than fast and the wrong distance now, but is still our pick here. **3 Gibson Brodde** was brave in the last race from first over and is used to meet tough horses. Towards the front now! **10 Fabentoy** may not be a superstar but will be exciting to follow for this new trainer. Was a bit slow last time but should be improved considerably to this race. **6 Nightmare C.Boko** won five starts back and needs to defend those starting points. Is certainly well prepared now.

2 Intro is a top horse in the making. After an interference in the E3 heat he lost the win which gave a difficult lane in the final. Good reports and the best horse. **1 Mister Nabab** has not impressed yet, but we suspect he has really good potential and he looked clearly on the way up last time! **5 Fifty Sixty Sox** is good and also our favorite for the lead in this race, but the gallops at the end are worrying. **3 Perfect Batch** is a sharp finisher but never got a real chance last time.

2 Oppgårdsträngen was very good two starts back but not at his best during the Elitloppet weekend, and not at his best last time either. A bit up and down, but normally the horse to beat. **7 Ramstad Balder** is 14 years old but better than ever. Fast behind Tangen Bork last time and Jepson now. **3 B.W.Sture** loves these conditions but in the last race he failed from the front. Is he leading all the way now? **6 Järvsöodin** galloped unexpectedly in the last race but is on the way up.
