11 Denaro Diabolik is probably the best horse and gets the tip even though he didn't convince in the last comeback. Has been matched in the V85 at the end and will meet easier opposition this time. **10 Kohkahycumest** wins often and is a little better than the latest results show. Finished well in the last race as fifth and was not empty. He hopes for high pace. **4 Midnight Madness** won from the lead in the last race at Hoting. He will face tougher opponents now but is our favorite for the front and from that position he is a contender. **9 Backwoods Ferguson** has taken three wins and earned the most money this year. Can do better than last time and is driven this time by Per Lennartsson.

2 Je T'aime Legacy gets the tip in this apprentice race. Was second with this driver in June and took a superior victory two starts back. Quick starter and nice number. **4 Drag Racing** was second in a heat to the Stosprintern in June and finished sixth in the final. Comes from a positive effort and should be considered. **11 Heavenly Flavours** has done well for this driver and is coming off a win together with him. He has a tough lane but quick pace would be an advantage. **10 Mellby Lovely** is also one of the better horses in this race. Won in the lead and set a new record in the last race but has to attack from behind now.
